Director's Message

NIT Mizoram began its journey in 2009 to achieve global renown in research and education. Since 2009, the Institute has progressed rapidly. Presently, there are about 850 students studying in various disciplines of Engineering, Sciences, Humanities and Social Sciences. The Institute is working untiringly to impart quality education that keeps pace with the latest advances in research and development activities. The year '23-'24 saw 86% Campus Placements.

5 students from the present 3rd year BTechs are going to IIT Madras for their 4th year study and PhD. 4 times increase in Sponsored projects and Consultancy observed in '23-'24. 100% Intern offer issued from top-notch companies and IITs. Leading Professors from Germany and USA conducted workshop at NIT Mizoram during '23-'24 leading to faculty and student Exchange and collaborations. Introduction of Minor stream with Regular BTechs in Semiconductor & VLSI, AI&ML, Sustainable Electric Transportation introduced. Dual-Degree for upgradation to MTech and PhD is additional long take away. MoU with top public sectors like BIS, AAI, Senses Dept, NITTTR, Mizoram Police, INAE, Institute of Engineers opened up seamless opportunities for faculty and students. At present NIT Mizoram is situated in a temporary campus at Aizawl. With the support of the state govt, we are expecting the completion of the partially completed permanent campus at Lengpui, Mizoram within the next two years with best of the facilities for the excellent academic ambience. The faculty, students and staff of NIT Mizoram are working hard with utmost sincerity and dedication to accept the challenge of making NIT Mizoram a preferred destination for high-quality learning, research and innovation. Their new initiatives will surely bear rich fruits during the years to come.

Let's make this academic year memorable. Best Wishes...

Prof. S. Sundar

Director, NIT Mizoram

Message from the Training and Placement Office

Greetings from the Training & Placement (T&P) Office, National Institute of Technology Mizoram (NIT Mizoram), an Institution of National Importance under the Ministry of Education, Govt. of India!

Being one of the premier institutes of the country, NIT Mizoram, under the Directorship of Prof. S. Sundar, is working determinedly to impart quality education to its BTech, MTech, and Ph.D. courses in engineering and sciences that keep pace with the latest advances in research and development activities and committed to serving the societal and industrial needs of the country. The institute is situated in the scenic beauty of Mizoram, wrapped between clouds and mountains.

The T&P Office, NIT Mizoram, facilitates the placement process of students passing out from the Institute, besides collaborating with leading organizations and institutes to set up student internship and training programs. The office liaises with various industrial establishments, corporate houses, etc., which conduct campus interviews and select graduate and post-graduate students from all disciplines. Besides catering to other logistics, the T&P Office provides infrastructural facilities to conduct group discussions, tests, and interviews. The office makes every effort each day to bridge the gap between the dreams and capabilities of our students through training programs to enhance the soft skills and overall personality of students in association with industry and academic experts.

Message from the Training and Placement Office

The placement season runs throughout the year, from July through to June. Pre-placement talks are also conducted in this regard as per mutual convenience between the industries and the institute. Job offers, dates of interviews, selection of candidates, etc., are announced through the T&P Office. The Placement Office is assisted by a Faculty T&P Committee comprising faculty members from each department. Student coordinators and members from various undergraduate and post-graduate engineering streams support the office via core, executive, and associate team members. The committee evolves a broad policy framework yearly besides a set of inviolable rules. Student coordinators and members are closely co-opted in implementing these policy decisions.

I am confident that our students will prove themselves and contribute immensely toward pursuing the organization's ambitions with a ray of hope that our indigenous and global industries will offer internships and jobs to our students at our campus. Further, this relationship will go beyond other engagements and mutual benefits. I sincerely appreciate our industry partners who have recognized the depth of our rich and diverse talent pool and accorded valuable opportunities.

More information about the institute and various courses offered to the students is available in the placement brochure. Please feel free to contact the T&P Office, NIT Mizoram, in case of any queries at tnp@nitmz.ac.in.

I look forward to a fruitful and mutually beneficial relationship with your esteemed organization.

TRAINING & PLACEMENT CELL

To get employment and to stay employed in this competitive world, it is important to keep abreast of the constant changes occurring in business, industry, and the economy. Dedicated to the above fact, training & placement cell has major responsibilities to ensure every aspirant a good bright career of his/her choice. NIT Mizoram T&P cell acts as an interface between the college & company & is maintaining symbiotic powerful relationship across the globe.

Hosting companies on campus

- The department provides facilities for the visiting companies to conduct pre-placement talks, written tests, group discussions and interviews.
- Audio visual aids like laptops, lcd projectors for pre-placement talks and internet facilities for online tests will be arranged upon prior intimation.
- Conveyance from/to airport or railway station is arranged by the department. Accommodation and food is provided at the institute guest house for the company on prior intimation and the cost of these are borne by the institution.

Functions and responsibilities:

- Organizes and coordinates campus placement program, to fulfill its commitment of a career to every aspirant.
- Nurtures industry institute interaction, by organizing and coordinating frequent industrial visits, in plant training and projects of industrial relevance for the students, with the sole aim of zeroing down the hiatus between the industry and the academia.
- Helps every student define his/her career interest through individual expert counselling and also makes available updated database and job profile of the companies and thus helps each student and choose a company of his interest. The department has in its active file a database of nearly 500 companies.
- Works towards continuing education for the employees.
- Receives and forwards the feedback pertinent to curriculum improvement from the visiting companies to the faculty, to ensure that the curriculum follows the latest industrial trend.

ACADEMIC PROGRAMMES

NIT Mizoram was started in the year 2010 in the state of Mizoram with an objective to impart education, research & training leading to B. Tech, M. Tech & Ph.D. degrees. This institute has been declared as an Institute of National Importance by an Act of Parliament. The institute offers disciplines in various courses through undergraduate, graduate, and postgraduate programs. The course imparts quality education and helps in accomplishing the institute's motto 'Knowledge is the Ultimate Goal'. The selection procedure for various programs at NIT (MIZORAM) is through stringent examination such that only the students of the highest caliber finally make it to the campus.

Admission by JEE MAINS:-

Bachelor of Technology (B. Tech)

Duration: 4 years

Admission by GATE:-

Masters of Technology (M. Tech)

Duration: 2 years

Doctor of Philosophy (Ph.D.)

We are providing admissions in many disciplines like:-

- CIVIL ENGINEERING
- MECHANICAL ENGINEERING
- COMPUTER SCIENCE ENGINEERING
- ELECTRICAL AND ELECTRONICS ENGINEERING
- ELECTRONICS AND COMMUNICATION ENGINEERING
- MATHEMATICS
- HUMANITIES
- ECONOMICS

ACADEMIC PROGRAMMES

UNDER GRADUATE:-

The institute provides 4-year courses in Engineering/ Technology leading to the award of a B. Tech degree. The academic session is divided into two semesters each of approximately 20 weeks duration: an Autumn Semester and a Spring Semester. Admission to all undergraduate programs is made in the autumn session of each session at the First year level through a qualifying examination conducted by NTA.

The disciplines offered under B. Tech programs at NIT Mizoram are:

- Civil Engineering
- Mechanical Engineering
- Computer Science and Engineering
- Electrical and Electronics Engineering
- Electronics and Communication Engineering

POST GRADUATE:-

The M. Tech programs are correlated with courses of study, on successful completion of which the students of the programs will be able to qualify for the award of Master's degree. The regulations herein specified apply to FULL-TIME, PART-TIME and SPONSORED M. Tech programs offered by the National Institute of Technology Mizoram. The

M. Tech program encompasses of the duration of 24 months for regular students.

The disciplines offered post graduate programs are :

- Computer Science and Engineering
- Mechanical Engineering
- Electrical and Electronics Engineering
- Electronics and Communication Engineering

LIFE AT CAMPUS

While the permanent campus is under construction close to the state's lone airport at Lengpui, the institute is housed at a temporary campus in the picturesque city of Aizawl.

It comprises an administrative block and four academic blocks and laboratories. The institute also has an adequately equipped library. The classrooms are state of the art with virtual boards and projectors, for an interactive and enriching education.

LIBRARY:-

The library is well equipped with books periodicals and journals, covering the curriculum of different branches of the institute. Students and teachers also have access to thousands of books and research articles which have been made available through an online portal.

CLUBS @ NITMZ

DRISHTI CLUB

Being the picturesque and beautiful place that it is, the photography club offers great opportunities to capture nature's beauty in Mizoram. The cloud covered green mountains are like the most beautiful paintings on nature's canvas, and the club is a platform for students to demonstrate their photography talents.

LIBRARY CLUB

Everyone has some own vision of world, but very few get chance to share their vision to the world. The literary club of NIT Mizoram provides chance to express their view through different events and competitions, which provides platform for all to share their views and expand their knowledge.

EVENTS

NATIONAL WORKSHOP ON NEXT GENERATION (5G/6G) COMMUNICATION NETWORKS

The Department of Computer Science and Engineering, NIT Mizoram organised a 5-day 'National Workshop on Next Generation (5G/6G) Communication Networks: Overview, Technology and Recent Trends' from 9th-13th October.

SWACHHATA HI SEVA 2023

On 29th September, 2023 at 2:00 PM, the "Swachhata Hi Seva 2023" drive took place with the involvement of several faculty members, admins, and students.

EVENTS

MERI MAATI MERA DESH 2023

On 13th October 2023, as part of the 'Meri Maati Mera Desh' campaign, the NSS unit of NIT Mizoram organised 'tree plantation drive' and 'Amrit Kalash Yatra' in co-ordination with the Local Council, Chaltlang area

Internship Process

Starts after completion of 3rd semester (2nd year)

Students are encouraged to have at least 3 internships, out of which at least two should be in disciplinary industry

**Summer Internship
(May 15, 2024 – July 29, 2024)**

**Winter Internship
(November 24, 2024 – January 06, 2025)**

**3rd year / end of 6th semester.
Compulsory 4 weeks for Dept. evaluation**

Internship Record

10 students joined IIT Madras for summer internship, out of which 7 are under Direct PhD exchange program under MoU with IIT Madras

14 students joined CDAC Noida

7 students joined CDAC Kolkata

7 students joined IOCL

10 students are in process in undergoing the summer internship at Airport Authority of India (AAI) under MoU with AAI.

6 students joined L&T Construction

6 students joined Hyundai

9 students joined internship in Bureau of Indian Standards (BIS) under MoU with BIS

20 students joined summer internship in different other IITs including IIT Kanpur, IIT Patna, IIT BHU, IIT Hyderabad, IIT Jammu, IIT Roorkee, IIT Guwahati, IIT Patna, IIT Indore

6 students joined L&T Construction

4 students joined Tata Motors

2 students each in NTPC, SAIL, Tata Steel, Jindal Power, Central Railways, Semiconductor Labs

Internship Record

**Record of 2024 Summer Internship
(May 15, 2024 – July 29, 2024)**

- 91% students of 2025 Graduating batch already joined internship, 9% in the process of joining
- 100% Internship by the end of June 2024.

HOW TO REACH US

Flying directly into Aizawl from Delhi is an option, as is doing so through Kolkata, Guwahati, or Dimapur. The distance between Lengpui (Aizawl) airport and NIT Mizoram is about 35 kilometres.

The closest train station to Aizawl is in Silchar. It could take around 5 hours to travel by road from Silchar to Aizawl. There are sumos accessible in Silchar, Assam, across from the Mizoram Circuit House.

Silchar & Guwahati are the nearest locations to access the roadway to aizawl.
